Clif Clendenen to meet with citizens of the 2nd District in Garberville

Humboldt County 2nd District supervisorial candidate Clif Clendenen will meet with citizens in Garberville on Friday, Dec. 14, at the Garberville Civic Club, 477 Maple Lane, at 7 p.m.

Clendenen is inviting all interested citizens to this free event in order to hear their concerns, ideas and questions regarding the 2nd District. The Garberville meeting is the first of several public meetings Clendenen will be holding in the upcoming months throughout the diverse communities of the 2nd District.

One of the tenets of Clendenen's campaign is open and inclusive county government.

"I am interested in hearing from as many voices as possible," Clendenen said. "As your Supervisor, I will use a collaborative leadership style that's respectful of each individual to make the best decisions on the challenges we face together. Old solutions to new problems aren't going to work, and we have the opportunity to create something truly different for the 2nd District. We have much more in common than we think. We all want a vibrant economy, to retain our rural character and restoration of the Eel River, so let's work together to create a future we can all be proud of."

Clendenen, a citizen of Fortuna, has served the community for nearly 30 years as a business owner. He helped develop the Fortuna Apple Harvest Festival, is a past board member of the Fortuna Chamber of Commerce, and is the founding president of the Fortuna Concert Series. Currently, he is a board member of the Humboldt County Farm Bureau's Land Use Committee. Clendenen has recently been actively involved in Fortuna's General Plan Update, advocating for responsible growth that will preserve the city's small-town character and foster sound economic development and diversification.
